

Epsilon Sigma Phi

ESP Endowment Fund

Your Key to Professional Excellence

National ESP provides over \$30,000 of support for professional development to its members.

The level of support grows each year as members continue to contribute towards the endowment.

Please consider giving in this effort. Your contributions:

- provide scholarships for members to attend National Conference and other professional development training
- support stipends to members who engage in National ESP work
- are recognized within the Key Recognition level awards program

CAMPAIGN EFFORTS

Epsilon Sigma Phi is a 501c3 organization that provides continued leadership in supporting excellent professional development opportunities and recognition programs for current and retired Extension professionals.

This comprehensive campaign is helping to endow sufficient resources to sustain current scholarships, professional development opportunities, and recognition programs for Extension professionals and offers the possibility of new initiatives. Significant progress has been made on the \$500,000 Development Fund Campaign launched in 2002. With over 1000 contributors, ESP is well on its way to reaching the goal.

Please consider making a contribution of any amount. If you have given before, please consider making another contribution. All campaign donors will be recognized in the listing of Epsilon Sigma Phi Contributors. Special recognition is provided for donors with an accumulated gift at the Bronze Key and higher levels.

YOU MAY CONTRIBUTE TODAY and help us reach our goal by using the contribution form on the back.
